Active Sailing

A. Yoga-Sailing

Far away from tourist crowds we offer the opportunity to take part in a holiday full of exploration and adventure while getting in touch with your body and mind. During the holiday, we will stop at different places, unique for their beauty and peaceful atmosphere, to offer you every day a yoga session. This is for everyone, beginners in both sailing and yoga as well as for those more experienced. A **Yoga Instructor** will be on board in addition to the skipper to lead the yoga sessions at the stop over.

-Sailing

Every participant will be a member of the crew who learn how to sail and be involved in all activities on board (manoeuvring, navigation) as well as all aspects of daily life. No sailing skills are required.

Itinerary for the Yoga : Santorini, Ios, Sikinos, Koufonissi, Amorgos, Iraklia, Thirasia, Santorini.

The daily trips have between 4 and 6 hours sailing depending on distance and wind conditions. Where possible there will be a stop around noon to swim and have lunch.

-Island hopping

Your skipper has extensive knowledge of the Greek islands and will show you picturesque small ports with their tavernas as well the most famous beautiful beaches in the Cyclades with their crystal clear waters.

-Yoga

Every day we will practice yoga, according the sailing program, the sessions will be held in the morning or in the afternoon. Your teacher will take you to the most beautiful places of Cyclades for yoga and meditation.

B. Sailing-Diving Cruises

A **Diving Instructor** will be on board in addition to the skipper.

Diving and sailing in the Aegean Sea: you will become a witness of the non-touristic side of the Greek islands. Discover shipwrecks, cliffs, caves, walls, reefs... traces of ancient civilization... and of course the spectacular colors of our seas!

****For this charter you need a diving certification. No sailing experience is required.****

The Program

Discover the underwater world of the Cyclades while sailing from one diving site to the other and explore its rich flora and fauna:

-Crystal clear blue waters with spectacular visibility up to 30-40 meters.

-Gorgonians, corals, colorful sponges, starfishes, nudibranchs and tube worms, sea anemones are some of the attractions you will encounter.

-The king of hunters, Barracuda... the master of disguises, Scorpion fish... the Brazilian carnivalist, the Parrot fish... groupers, moray eels, octopuses... are all there for you to spot them in rock formations and meadows of sea grass.

-Don't be surprised if while sailing we encounter dolphins, the loggerhead turtle or the Monk Seal! Before you dive, our trained crew will guide you and give you a presentation on the wonders of biodiversity and marine ecology. Pictures and videos will be taken so that we can discuss what we've seen after each dive. Apart from the excitement of sailing through the unspoiled little islands of the Aegean, you will enjoy 5 unique dives, including a wreck and a night dive.
